

Nominate your ITS Heroes!

Dear Colleagues,

We are pleased to inform you that ERTICO - ITS Europe is now accepting nominations for the 2018 ITS "Hall of Fame" Awards for **Europe, Middle East and Africa**.

There are three kinds of awards:

The **Lifetime Achievement Award** will be given to an individual recognised as:

- An outstanding leader in the organisations he or she has led
- A thought leader in the ITS field
- A champion of vision of ITS and its fulfilment within and beyond the ITS Community

The **Industry Award** will be given to a company or research organisation that:

- Developed and/or deployed a significant new innovative product or service over the course of the previous year
- Produced a new product and/or service that played a key role in accelerating development and deployment of ITS in its region
- Plays a leading role in the ITS Community

The **Local Government Award** will be given to a local government agency that:

- Developed or deployed a significant new innovative ITS product or service over the course of the previous year
- Implemented policies or projects advancing the development and deployment of ITS over the course of the previous year
- Created new products and/or services that fostered advanced deployment of ITS services
- Plays a leading role in the ITS Community

The nomination rules are included below, and nominations can be submitted online here:

1. **Lifetime Achievement Award:** [Click to nominate](#)
2. **Industry Award:** [Click to nominate](#)
3. **Local Government Award:** [Click to nominate](#)

Please note that the nominations can be anonymous.

All three Awards will be presented at the 25th ITS World Congress in Copenhagen, Denmark, 17-21 September 2018.

Do not hesitate to [contact us](#) should you have any questions.

Many thanks in advance for your kind support on this issue.

Kind Regards,

ERTICO - ITS Europe

Rules for the widely-advertised call for nomination, voting and selection process in Europe

1. The ITS Stakeholder Community may nominate potential candidates. Each stakeholder can only nominate one potential candidate per category and has to provide a short explanation on the contribution of the nominee in the context of the categories related to the Award. Please note that the nominations can be anonymous.
2. The nominee will be asked to accept his/her nomination before becoming a candidate. Upon acceptance of his/her nomination, the candidate will be asked to confirm his/her contribution with a short text in the context of the category and provide a picture or logo.
3. The selection of the winning candidates for each category will be made by the European Members of the Board of Directors (BOD).

Dates and deadlines:

2 May – 18 May: nomination of potential candidates.

22 May – 08 June: approval from potential candidates.

13 June – 27 June: vote for the candidates by the European Members of the Board of Directors (BOD).

4. The three winners of each region (one per category per region) will be informed and congratulated by the 3 CEOs and asked to attend the 25th ITS World Congress in Copenhagen, Denmark, 17-21 September 2018, to receive their Awards.

Nominations must be submitted no later than Friday 18 May 2018.
