

Dear 30th ITS World Congress attendees,

Since we took off in 1985, it's been our passion to give you a better level of comfort, a better choice of entertainment and a better night's sleep whichever class you're flying in. It's still our promise today. When you fly with us to over 130 destinations, you can expect a better rest in lie-flat seats and private suites. You can relax to award-winning entertainment on widescreen TVs and enjoy Onboard Wi-Fi in every class.

To Fly Better means tasting the delicious flavours of the world as you travel across six continents, and meeting global travellers in our A380 Onboard Lounge. It means shower spas at 40,000ft to arrive refreshed, ready for the next part of your journey. And it's always been about better service.

Fly with us on one of the youngest and most advanced fleets in the sky, including the largest fleet of A380 and Boeing 777 aircraft in the world. And get a better and more enjoyable experience every time.
